Harley's Hangout

Lots of people have asked about me since my sad story made the news, when I was attacked by my former owner. I just want everyone to know that I am doing well these days, thanks to lots of people who have helped me along the way! My doctors, caregivers, legal advocates and of course my Friends of Pets family have given me a fresh start. I have made great buddies in my foster home and am loving life every day! Please come out to support the Dog Jog and help more dogs and cats like me! Thanks!

Love, Harley

(As his recovery continues, Harley prefers to stay out of the spotlight, so we've asked Alaska's felony animal cruelty law sponsors to attend the Dog Jog on his behalf. Join us in thanking our legislators and Gov. Sean Parnell for taking this important step for the protection of Alaska's companion animals.)
